

Chailey School

Offsite Trips and Residentials 2023-2024 SCHEDULE FOR INFORMATION

Now that COVID disruption appears to be well and truly behind us we are delighted to let you know we are planning lots of exciting trips and activities for the next academic year. At Chailey School we believe that authentic real life experiences are important for our students. We put on a range of trips and activities each year. We are aware that it is helpful for families to know in advance what activities are likely to come up as this helps with financial planning.

The list below is subject to change but should provide families with information on the sorts of activities which may be on offer.

Financial Support Available: We are able to support families in receipt of the pupil Premium with curriculum trips only. We can offer a 25% discount on request. For any family that needs additional support, please speak directly to finance@chaileyschool.org
