Chailey is a thriving, successful school set in rural Sussex, just north of Lewes, and within easy reach of Brighton and Haywards Heath. We are proud of our traditional values and innovative approaches to Teaching and Learning. Staff are friendly, dedicated and supportive and our students are happy and proud to be part of the school. Chailey is a school where teachers and students can thrive. Visitors to Chailey School often comment on the calm teaching environment and fantastic relationships between students and teachers. The Ofsted Report from January 2022 commented '*This is a kind school. The school's values of kindness, resilience, independence and creativity permeate everything.*'

We believe that this is a very strong foundation from which to aspire to excellence in everything we do.

We are seeking to appoint a Senior Science Technician to support the Science Faculty for 37 hours per week, hours to be discussed. The Science Department at Chailey School is very successful and you will be joining a friendly and supportive team of colleagues.

If you have a strong desire to help students of all abilities to achieve the best they can, whilst fulfilling your own potential, then we would be very pleased to hear from you.

JOB DESCRIPTION

School:	Chailey School
Job Title:	Senior Science Technician
Grade:	Single Status Grade 7 (Actual Salary £21,714 to £22,294)
Working Hours:	37 Hours per week (term time only)
Responsible To:	Faculty Team Leader

Main purpose of the job

To co-ordinate the use of practical resources and facilities, and provide assistance and advice in meeting the practical needs of the science curriculum, including liaising with teaching staff, and support staff outside the department

Main Functions

1. To ensure the maintenance of a healthy and safe working environment through:
 - actively contributing to the assessment, monitoring and review of both health & safety procedures and information resources
 - keeping up to date with current procedures and practices through continuing professional development
 - the provision of technical advice and support on health and safety issues to teaching and trainee technical staff
 - the safe treatment and disposal of used materials including hazardous substances and responding to actual or potential hazards
 - the healthy and safe storage and accessibility of equipment and materials
2. To carry out health and safety and risk assessments relating to laboratory work and apply COSHH regulations and assessments.
3. To assist oversee day to day organisation to ensure that essential performance standards are achieved.
4. To collate, catalogue and store worksheets, exam papers and internally produced booklets
5. To undertake administrative tasks for the Science Faculty as required to ensure the smooth and efficient running of the Faculty, including production of resources for use by staff and students.
6. To support the faculty lead in ensuring the availability of suitable materials and equipment, helping to compile orders and liaising or negotiating with suppliers and finance departments. This will include sourcing, costing and suggesting economic alternatives to maintain stock levels. Keeping up-to-date records of stock.
7. To contribute to the design, development and maintenance of specialist resources and/or long term projects.
8. To ensure that both routine and non-routine checking, cleaning, maintenance, calibration, testing and repairing of equipment are carried out to the required standard.
9. To assist in practical classes and demonstrations
10. To be 'first responder' for any first aid required for students and staff in the Science, Art and Technology areas of the school.
11. To carry out the above duties in accordance with the Education Department's Equal Opportunities Policy.

This job description sets out the duties of the post at the time it was drawn up. The post holder may be required from time to time to undertake other duties within the school as may be reasonably expected, without changing the general character of the duties or level of responsibility entailed. This is a common occurrence and would not justify a reconsideration of the grading of the post.

Safeguarding Children

The authority and school are committed to safeguarding and promoting the welfare of all children and young people and expect all staff and volunteers to share this commitment. It will be necessary for the appropriate level of criminal record disclosure to be undertaken. Therefore, it is essential in making your application you disclose whether you have any pending charges, convictions, bind-overs or cautions and, if so, for which offences.

This post will be exempt from the provision of Section 4 (2) of the Rehabilitation of Offenders 1974 (Exemptions) (Amendment) Order 1986. Applicants are not entitled to withhold information about convictions which for other purposes are 'spent' under the provision of the Act, and, in the event of employment being taken up, any failure to disclose such convictions will result in a dismissal or disciplinary action by the school. The fact that a pending charge, conviction, bind-over or caution has been recorded against you will not exclude you from consideration for this post. Successful applicants will need to undertake enhanced DBS checks before commencement of employment.

In addition to the candidate's ability to perform the duties of the post, the interview will also explore issues relating to safeguarding and promoting the welfare of children, including:

- *Motivation to work with young people*
- *Ability to form and maintain appropriate relationships and personal boundaries with young people*
